

BARRINGTON PARISH COUNCIL

CHILDREN AND VULNERABLE ADULTS

PROTECTION POLICY

Policy Statement

Barrington Parish Council has a duty of care to safeguard all the children and vulnerable adults from harm who are involved in the Council's play areas.

The Council has two play areas one at the Challis Green Recreation Ground and another at High Street/Haslingfield Road junction (known as the Under 5's). The Council also has responsibility for the weekly youth club aimed at 11 – 16 year olds.

All children have a right to protection, and the needs of disabled children and others who may be particularly vulnerable must be taken into account.

The Council will do all possible to ensure the safety and protection of all children using the play areas through adherence to the Child Protection guidelines adopted by the Council.

In this policy a child is defined as a person under the age of 18 (The Children Act 2004).

Policy Aims

The aim of this policy document is to guide members of the Council should any child protection issue arise during their work.

Policy Objective:

- To ensure that where possible all facilities and activities offered by the Council are designed and maintained to limit risk to children and vulnerable people.
- To promote the general welfare, health and development of children by being aware of child protection issues and to be able to respond where appropriate as a local government organisation.
- To develop procedures in recording and responding to accidents and complaints and to alleged or suspected incidents of abuse and neglect.
- As the Council does not directly provide care or supervision services to children, it expects all children using its facilities to do so with the consent and the necessary supervision of a parent or other responsible adult.
