i) Made by Veterans from Royal British Legion Industries:

This scheme helps create jobs for veterans.

Made of high-quality Corten steel. The recyclable material forms a natural protective layer of reddish-brown rust over time to protect against the elements.

4mm Thickness, with four pre-drilled mounting holes at each corner for ease of placement.

6 weeks delivery. £95

ii) From The Workshop Aberfeldy.

The business aims to create a bridge between education and employment for young people in Highland Perthshire, where our rural location can limit employment and training opportunities. Allowing young people to gain direct practical skills as well as transferable employability skills such as teamwork and timekeeping, empowering them to successfully find employment or further training.

Stainless Steel with mounting spike

2 weeks delivery £37.50
